

CHAMBERLAIN ASSOCIATION OF AMERICA
“CHAMBERLAIN COLLECTION”

Contents of Black Book No. 27
prepared by George Richard Chamberlin
48 pages

This book consists of more Middlesex County Probate Records from 1673 to 1839. Since lists in this book are already in alphabetical order there is little need for an Alphabetical Names Index, however a limited alphabetical names list is used to index heirs or beneficiaries named in some estate record as well as some marital records that appear at the end of the book..

This document is not intended to be a transcription or a summary of contents. This Table of Contents was prepared for the purposes of assisting researchers in locating Chamberl ancestors in this particular Black Book. The original Black Book is available to researchers at the New England Historic Genealogical Society, in Boston, Massachusetts.*
