COLCHESTER, CT

prepared by George Richard Chamberlin

161 pages

In the 18th century Chamberlin's (ains) were plentiful in town of Colchester, CT. By the beginning of the 20th Century there were very few. In this book the reader will find the surname Chamberl* spelled numerous ways: perhaps more so than in any other black book. This document is not intended to be a transcription or a summary of contents. This Table of Contents was prepared for the purposes of assisting researchers in locating Chamberl* ancestors in this particular Black Book. The original Black Book is available to researchers at the New England Historic Genealogical Society, in Boston, Massachusetts.
