

CHAMBERLAIN ASSOCIATION OF AMERICA - ROSTER OF ORIGINAL MEMBERS, 1898-1910

Following is a list of the earliest members & associates (numbered 1 through 315) of the original Chamberlain Association of America, as transcribed from the 32-page hand-written Membership Roster book, which was begun in 1898 and appears to quit after about 1903. Most of these 315 persons, and 127 more persons after about 1903 (unnumbered below), were also listed in the CAA Annual Reports, published by the association between 1899 and 1911. Names of additional members after 1910 are unknown at this time.

The ancestral line of descent is shown exactly as it appears in the Roster, and as verified by this author from his own genealogical records, unless otherwise corrected or extended as shown in brackets: []. Death dates are also listed as published in the Roster and/or the Annual Reports. No effort has been made to correct minor variations in names, birth & death years as originally shown, unless the reported information is known to be way off the mark or insufficient to permit identification. Refer to actual lineages (as maintained within the author's research genealogical databases) for more accurate details concerning each individual.

The original ledger book of the CAA Membership Roster is located within the Chamberlain Collections at the New York Genealogical and Biographical Society Library in Manhattan, New York City, New York. A photocopy was obtained with permission, by Mr. George Richard Chamberlin and Ms. Geraldine R. Burden. Copies were distributed, April 30, 2005, to members of the Board of Directors of the World Chamberlain Genealogical Society - Mr. Philip J. Chamberlain graciously provided this author with his own copy. The author discovered, as it appears in the original, that all the entries in the second of two pages for Members #221-240 (page 24 of the photocopy) were shifted one line when entered, so they do not line up properly with the first of these two pages – corrections to the reported lineage have been made, as appropriate, by the author. Entries in Annual Reports are also coded below for Portrait Photographs [P]; Biographical Sketches [B]; and Necrology listing [N].
