Sandwich Massachusetts Celebrating 375th Anniversary

Alice Wentworth, WCGS #9 ,recently sent us the following note: "Sandwich, MA & First Church are celebrating the 375th anniversary this year. Many events are planned. For those with Cape Cod connections it might be of interest. Through my Chamberlain connections I connect back to two of the first settlers, Tupper & Nye."

"I was going through my Mother's books and ran across a copy of Longfellow's Complete Poems that was presented to a Mary Stuart Chamberlain at Georgetown Visitation Convent in DC in 1939 "for Sacred Studies". Possibly you might know of any descendants of her that might like this?

(Mom bought an 1807 prayer book 50+ years ago, & I was able to get it on to the GGGGGranddaughter of the person that originally owned it)- Cheers "

One of the Goal's in the formation of the World Chamberlain Genealogical Society (WCGS) was the creation of a membership-friendly organization that would enhance the exchange of information and experiences associated with the study of a common surname. Although members are scattered widely over the world, the WCGS serves as a center for facilitating and coordinating intercommunication, and as a repository for information useful to persons who wish to learn more about their own ancestry in particular and the history of the surname as well. We welcome all who share this interest to join us in documenting the surname and its many variant spellings.
