Next Meeting Update

The WCGS is trying to make sure that the upcoming meeting in June attracts as many attendees as possible, so we are conducting a survey. Please use the link below to let us know your attendance intentions and ideas of what you wish to see and do. You ***DO NOT*** need to be an active member to join us in Fort Wayne or to do the survey. Whether you plan to attend or not, your feedback is important to making the meetings informative and fun. Here is the link. The anonymous survey will close soon, so please give us your thoughts.

Our next meeting will be at the [Allen County Public Library](#) located in Fort Wayne, Indiana. The date is Saturday, 24 June 2017 at 9:00am. The tentative plan is to hold a business meeting for about an hour and afterwards conduct a program that informs and proves helpful to attendees. We will try to provide enough activities to last until 3pm, with a break for lunch of course. We have selected [Don Hall's Guesthouse](#) as the hotel at which many of us will stay.

One of the Goal's in the formation of the World Chamberlain Genealogical Society (WCGS) was the creation of a membership-friendly organization that would enhance the exchange of information and experiences associated with the study of a common surname. Although members are scattered widely around the world, the WCGS serves as a center for facilitating and coordinating inter-communication, and as a repository for information useful to persons who wish to learn more about their own ancestry in particular and the history of the surname as well. We welcome all who share this interest to join us in documenting the surname and its many variant spellings.
